As one of many Orientation Express Conductors, I would like to extend an invitation to you to hop on the Orientation Express—DCCC's Express to Academic Success. First, choose a summer orientation date. After taking a placement test (ASSET) and speaking with a faculty advisor, you will receive your class schedule for the Fall Semester. You will also have an opportunity to speak with representatives from the Housing and Business offices, get your parking permit and get your picture taken for your student i.d. card. Second, attend Fall Orientation on Sunday, August 18. On this day before classes begin we will have a campus wide BBQ and Bazaar where you will receive coupons and collectibles from community vendors. Come give DCCC the chance to get you on the right track toward your future career!

Welcome Aboard!

## Dear Passenger,

It's time to enroll at Dodge City Community College for the Summer '96 and Fall '96 semesters! The "Orientation Express" gets rolling and keeps rolling with ASSET Testing and Registration Dates throughout the Spring and Summer.

We will use the results of your ASSET Test for placement and greater success in English, Math and Reading courses. Travelers who have already taken English and Algebra for college credit are not required to take the ASSET. However, we do encourage you to participate in an "Orienta-

tion Express" and ask that you arrive at the appropriate time on the schedule.

If you enroll in seven or more credit hours there is a \$20.00 registration fee and if you are enrolling in six credit hours or less there is a \$9.00 registration fee. All tuitions and fees are due by the first day of class. If you plan to get your parking permit during "Orientation Express," please bring your vehicle registration information with you.

We are here to help you reach your destination.
